Development Unit Plan (DUP) for 3/4 North
Citizen Participation Report
ZON 18-00286
(10.2.2018)

Project Description

DMB Mesa Proving Grounds, LLC, a Delaware limited liability company ("Owner" and "Master Developer") is the owner and/or master developer of approximately 3,200 acres located south of Elliot Road, north of Williams Field Road, east of Ellsworth Road and west of Signal Butte Road (the "Property" or "Eastmark") as shown in **Figure A**. The Property is also commonly referred to as Eastmark (formerly the Mesa Proving Grounds). On November 3, 2008, the City of Mesa (the "City") approved among other items, a rezoning of the Property to Planned Community. As part of that request, a Community Plan (the "CP") was also approved that identified the vision for the development of the Property together with development standards and permitting processes.

Figure A

This application is a request to consider the approval of a DUP for a portion of the previously approved DUP for 3/4 Development Unit 3/4 north ("DU 3/4 North") that is located south of Warner Road, north of Ray Road, east of Ellsworth Road and west of Eastmark Parkway as shown on **Figure B**. This area consists of approximately 428 acres which is a portion of the previously approved DUP for 3/4 which consists of approximately 620 acres and is depicted on **Figure C**. In accordance with Section 5.2 (B) of the CP, the DUP for DU 3/4 North shall be reviewed and considered by the Planning and Zoning Board. The CP also requires that DUPs in DU 3 and 4 be approved by the Planning Board.

The Mesa Proving Grounds CP specifies that as part of the DUP process, a Citizen Participation Plan must be prepared. The purpose of this Citizen Participation Plan is to inform citizens, property owners, neighborhood associations, school districts, and other identified parties in the vicinity of DU 3/4 North of the request. This Citizen Participation Plan will ensure that those affected by the request will have an opportunity to learn about and comment on the proposal.

Purpose

The Mesa Proving Grounds CP specifies that as part of the amendment process, a Citizen Participation Plan was prepared. The purpose of this Citizen Participation Plan is to inform citizens, property owners, neighborhood associations, school districts, and other identified parties in the vicinity of DUs 3 and 4 of the request.

Pre-Application Meeting

Pre-application meetings with the City of Mesa planning staff were held during multiple meetings in 2017 and 2018. In accordance with the CP and the City of Mesa Zoning Ordinance, residents within 300 feet of the boundaries of impacted area, registered homeowner associations within ½ mile of the site, the Gilbert and Queen Creek School Districts, and the Phoenix-Mesa Gateway Airport are to be notified. In April, the application was filed and comments were received from staff in August.

Implementation of the Citizen Participation Plan

The Citizen Participation effort for the DUP for 3/4 North was conducted in conjunction with the submittal of the Major Amendment to the Community Plan ("CP Amendment"). Specifically, a neighborhood meeting that included a large notification area was conducted and also covered the information for the DUP for 3/4 North. As noted in the Citizen Participation Plan, the outreach effort included communications with identified parties in the area (collectively, the "Interested Parties"). The Contact List was created, which included property owners located 300 feet of the boundaries of the DUP for 3/4 (which encompasses the 620 acres). Additionally, notices for the neighborhood meeting were mailed to everyone within 500 feet of DU's 1, 2, 3 and 4 including all registered neighborhoods and homeowner associations within one-half (1/2) mile of the boundary of DU's 1, 2, 3 and 4

A. Mailings

In accordance with the Citizen Participation Plan, on April 16, 2018, a letter was sent to those on the Contact List (this list included everyone within 550 feet of DUs 1, 2, 3 and 4 and included over 406 letters) to inform them about the request and to notify individuals of the date of the neighborhood meeting. A copy of the letter is included at **Tab A**. Additionally, included at **Tab B** is a list of all property owners who were notified of this neighborhood meeting.

Additionally, on October 3, 2018, a letter was sent to those within 300 feet of the DUP 3/4 area (included over 250 letters) to inform them about the date of the Planning and Zoning Board hearing for the Request. A copy of this letter is included at **Tab C**. Additionally, included at **Tab D** is a list of all property owners who were notified of this hearing as well as an Affidavit of Notice which is included at **Tab E**.

B. Other Required Notice

On October 2, 2018, the site was posted in conformance with City of Mesa requirements which included a total of three (3) signs with information on hearing dates. A photograph of the signs, the affidavit of posting and the location map for sign posting locations are included at **Tab F**. On or about October 2, 2018, the Arizona Republic published notice of hearings in accordance with City of Mesa requirements. This notice was executed by the City of Mesa.

C. Open House Meeting

A community meeting was held on May 2, 2018 from 5:15 to 6:30 pm at the Basis Charter School located at 5010 S. Eastmark Parkway. The meeting was a presentation format with a detailed presentation given to allow for individual questions and comments. Representatives of Eastmark and their consultants were on-hand to provide information and answer questions. An overview of the requested Application, the proposed project and timing was provided.

Approximately twenty-five (25) individuals attended the meeting as noted on the sign-in sheet included at **Tab G**. Additionally, eight (8) individuals signed a Petition of Support for the request which is included at **Tab H**. Multiple questions were asked including when commercial would be developed in the area, specifics on types of uses and other such general questions. No objections or issues were raised and residents were glad for the opportunity to hear information on the project.

Outside of this meeting, phone conversations with four (4) residents occurred to explain the request. No issues were expressed. People asked questions regarding the timing for commercial development and when residential development was to occur.

Additionally, separate meetings were held with several of the builders and /or land owners to explain the request. No issues were raised. We did receive several support letters which are included at *Tab I*.

Summary of Comments

Comments primarily involved finding out more information on the specific proposal, where the changes were occurring on the Eastmark site and what the changes entailed. In response to the questions, additional information was provided to give the specific location of the area the amendments impact as well as an explanation on how the Community Plan works and the impact of the proposed changes. General questions were asked about activity at Eastmark including residential development updates and updates on commercial development. There was no negative feedback expressed about the proposed DUP and input was positive.

Dear Neighbor:

RE: Eastmark – Request for approval for a Major Amendment to the Community Plan (CP) (Case # ZON 18-00121) and approval of a Development Unit Plan (DUP) for Development Units 3/4 North

Dear Neighbor,

DMB and Brookfield Residential are the owners and/or Master Developer of the approximately 3,200 acre Eastmark community located south of Elliot Road, west of Signal Butte Road east of Ellsworth Road and north of Williams Field Road (Eastmark). The purpose of this letter is to provide you with information associated with several requests that have been made to the City of Mesa. The City requires that we send this notice letter as part of the process.

In accordance with the Community Plan for Eastmark, we have submitted the following requests: 1) A Major Amendment to the Community Plan, and 2) a request for approval for a DUP for DU 3/4 North that will supersede and replace the previous approved DUP for the area. The proposed change to the CP only impact the 800 acres that are not developed and which are located within the area west of Eastmark Parkway, south of Elliot Road as shown of the exhibit below and the DUP only impacts 428 acres of Eastmark within the 800 acres of undeveloped land. These changes will allow for continued development of Eastmark consistent with the existing development pattern. Proposed changes do NOT impact areas that are currently developed in Eastmark.

As required by the City, a neighborhood meeting will be held as noted below. Additionally, this letter also identifies the hearing dates for the proposed Major Amendment to the CP and the proposed DUP for 3/4 North.

Dear Neighbor:

RE: Eastmark – Request for approval of a Development Unit Plan (DUP) for Development Units 3/4 North – Case Number ZON18-00286

Dear Neighbor,

DMB and Brookfield Residential are the owners and/or Master Developer of the approximate 3,200 acre Eastmark community located south of Elliot Road, west of Signal Butte Road east of Ellsworth Road and north of Williams Field Road (Eastmark). The purpose of this letter is to provide you with information associated with a request that has been made to the City of Mesa. The City requires that we send this notice letter as part of the process.

In accordance with the Community Plan for Eastmark, we have submitted the following request: request for approval of a modification to Development Unit Plan 3/4 (DUP 3/4) by removing a portion (428± acres) and creating Development Unit Plan 3/4 North (DUP 3/4 N) for the Eastmark Community Plan. The DUP 3/4 North area is generally located east of Ellsworth Road, west of Eastmark Parkway, south of the Warner Road alignment (future) and north of Ray Road and Point Twenty-Two Boulevard as shown on the attached map. These changes will allow for continued development of Eastmark consistent with the existing development pattern. Proposed changes do not impact areas that are currently developed in Eastmark.

The Planning Board for the City of Mesa will consider the above request at their meeting on Wednesday, October 17, 2018 at 4:00 p.m. The meeting will be held at the City of Mesa Council Chambers located at 57 East First Street, Mesa, AZ 85211.

Additional Information can be obtained at the City of Mesa Planning Department. Alternatively, if you have questions, please contact me at (480) 367-7322 or jhegardt@dmbinc.com. I would be happy to provide you with additional information or meet with you personally to further explain the proposal.

Sincerely,

Jill Hegardt, AICP

RE: Eastmark – Major Amendment to Community Plan – Case ZON18-00121
& DUP for DU 3/4 North

Dear Mr. Wesley,

We are sending this letter of support for the above noted requests. As you know, EdgeCorp recently purchased 25 acres in the northern portion of Eastmark and are currently developing the first phase of our development which includes a 193,000 square foot data center building. Ultimately, we plan to build seven (7) buildings which will total 1.2 million square feet, all to be utilized for data center uses. Our site is located approximately ½ mile south of Elliot Road within the Elliot Road Tech corridor.

The Eastmark project is being planned to provide for both employment uses like EdgeCore and Apple (and others) along Elliot Road together with a well-planned and diverse residential community, that together, will provide for both employment opportunities and an engaging environment for an educated labor force. We appreciated the ability of Eastmark to be able to provide for our use and to provide for appropriate transitions that will serve the employment uses and the residential areas well.

Sincerely,

Jay DiMaggio

RE: Eastmark – Major Amendment to Community Plan – Case
ZON18-00121 & proposed amended DUP for DU 3/4 North

Dear Mr. Ellsworth,

Terra West is the owner and developer of The Estates at Eastmark, which is located within Eastmark, south of Ray Road and east of Eastmark Parkway. The Estates at Eastmark is a gated community within Eastmark intended for move-up buyers and families. We have reviewed the above noted requests and have spoken with the Eastmark team regarding the proposed changes. We understand the proposed changes and have no objections to the approval of both requests.

Sincerely,

Michael K. Jesberger

RE: Eastmark – Major Amendment to Community Plan – Case ZON18-00121

Dear Mr. Wesley,

The purpose of this letter is to provide Taylor Morrison's support for the above noted case. We have met with the applicant who has provided us with an overview of the proposed amendment to the Community Plan, as well as an overview of the Development Unit Plan for Development Unit 3/4 North. We are supportive of the applicant's request and believe the proposed changes will allow for the continued development of the Eastmark community. With the attention given to architectural detailing of the homes and the landscaping, Eastmark is developing into a rich community that is unlike any master planned community in Mesa.

We appreciate the opportunity to review the proposed changes and provide this input to the City.

Sincerely,

Shannon Francoeur
