RE: ZON18-00519 Overland Senior Housing

Dear Wahid,

We are the owners of Lots 2 and 3 in Crimson Commons West Subdivision and wish to go on the record in support of ZON18-00510, the Senior Housing project proposed by Overland Group Inc.

We were the original developers of the subdivision and since the initial construction of the Learning Center and Tire Store in 2006, the balance of the subdivision has not been built on. We feel the Senior Housing project will be a great addition to the center and would expect that once the project is constructed, other businesses will follow.

Please give your full consideration to the proposal and approve ZON18-00510.

Sincerely,

A handwritten signature in blue ink, reading 'Jeffrey C. Huber'.
