

Special Use Permit
September 24, 2018

Desert Wind Harley-Davidson is an avid supporter of our local and state community. We continue to be approached by many charities to host their fund raising events. Our facility supports their needs and provides a venue compatible with their efforts.

Our past events have supported Save the Family, United Way Mesa, Mesa Veteran Resource Center, Mesa Veteran Program, American Red Cross, Veterans Forces Foundation, AMSAF, Kiwanis, America's Mighty Warriors, The Club and more.

Many of these events have requests for rides to start and end here at Desert Wind Harley-Davidson. These events include live music, food and drinks. Under current zoning, we are only able to accommodate four events per year.

Desert Wind Harley-Davidson would like to request 150 days (or 30 days per year) under the Special Use Permits Guidelines for the calendar years of 2018 through 2022. This will allow us to continue to support the community and charities as well as hold increased customer appreciation events. We are fully aware that a Special Event Application will need to be completed for approval by the City of Mesa for each of the events. 90% of all events will be single day events, on rare occasion individual events may exceed the 4-day duration limit.

Your consideration of our request is sincerely appreciated.

Thank you.
