***General information:** The St. Timothy Feast Day Festival will celebrate our parish feast day of St. Timothy in January of every year. This year's event will run from 4pm-9pm on Friday, Jan. 25, 2019. Inflatables will be rented. Live music will be performed. Food Trucks and a Beer Garden will also be available for consumption. The 2018 Festival was a great success as our first large Festival type event. 2019 Festival Event application has been submitted. Site map included. St. Timothy's is in good standing with the surrounding neighborhoods when parking is a topic for Sunday Masses and events held in our parking lot. We are also considerate of the neighborhood when concert and amplified sound is included in the event. Any configuration of the sound system will always direct the sound away from the neighborhood and into the empty field at Dobson High School, where it will dissipate greatly prior to reaching any adjoining neighbors.

***Noise:** Amplified Sound-Speakers will face South into parking lot and empty Dobson High field. See attached map. We have taken into consideration of the stage and amplified noise. Our best effort to control sound and have minimal disruption to our neighbors. Noise ordinance (Title 6 Chapter 12) 10pm cutoff of any amplified noise.

***Security:** 2 Off-Duty police officers will be patrolling the parking lot, mainly in the areas of service of alcohol and consumption of alcohol. All staff members working the event are aware to keep sight of anyone leaving the premises with alcohol and will be asked to consume or toss. Staff members will be at the main exits/entrances of the parking lot for additional security on premises.

***Restroom facilities** – Portable restrooms are available, and restrooms are also located in the church

***Trash receptacles** – Portable trash bins are placed throughout the event and emptied by the maintenance staff. Receptacles donated by SRP.
