

# City Council Report

**Date:** January 28, 2019  
**To:** City Council  
**Through:** Michael Kennington, Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Purchase of a Replacement/Upgrade Electronic Message Display for the Mesa Convention Center as requested by the Parks, Recreation and Community Facilities Department **(Funded by the Capital Enterprise Fund) (Citywide)**

## Recommendation

Council is requested to approve the award as recommended.

The Parks, Recreation and Community Facilities Department and Purchasing recommend authorizing the purchase using the City of Peoria cooperative contract with YESCO LLC at \$71,685, plus applicable taxes.

## Background / Discussion

The electronic message display on the Mesa Convention Center's monument sign at Center Street and University Drive requires replacement. The existing LED displays that were installed in 2008 have reached end of life. Replacement parts are becoming obsolete as newer technology has provided better resolution, energy efficiency and are more visually appealing.

The Convention Center monument sign was purchased from and installed by YESCO who is currently maintaining the sign. YESCO is the only contractor who can replace the digital components of the marquee sign

## Purchase Information

Action: Award  
Procurement Type: Cooperative Contract Use  
Contract Number: 2019112  
Contracting Agency/Contract Number – Contract Term: City of Peoria / ACON29214D – 7/11/2018 to 7/10/2019
