

City Council Report

Date: March 4, 2019
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: 9-Month Term Contract with Two Years of Renewal Options for Replacement Influent Pump Discharge Valve Actuators for the Water Resources Department (**Funded by the Utility Replacement Extension and Renewal Fund**) (**Citywide**)

Recommendation

Council is requested to approve the award as recommended.

The Water Resources Department and Purchasing recommend authorizing the purchase using the City of Goodyear cooperative contract with MISCO Water at \$50,000 annually with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

This contract will provide influent pump discharge valve actuators in various sizes for the City's Water Reclamation Plants. Water Resources has been replacing existing actuators with Rotork IQ actuators at the plants' influent pump stations. The actuators being replaced are obsolete and spare parts are not available.

The Rotork IQ actuators have outperformed other actuators with most of them lasting 15 to 20 years with little maintenance. The Northwest, Southeast and Greenfield Water Reclamation Plants have approximately 70 Rotork actuators in use. Rotork actuators have become standard throughout the City's wastewater plants as this provides for a common operation for our operators and a lower spare parts inventory. The plant operators and maintenance crew are familiar with the Rotork IQ actuators.

The City of Goodyear cooperative contract has been competitively bid and provides for the lowest possible cooperative pricing. Going out for a formal bid would only delay the purchase and would not result in any cost savings to the City.

Misco Water is the only authorized Rotork distributor for the state of Arizona.

Purchase Information

Action: Award
Procurement Type: Cooperative Contract Use
Contract Number: 2019151
Contracting Agency/Contract Number: City of Goodyear/CON-17-3722-A2

Local Consideration: Policy did not apply to this procurement method

Initial Contract Term: Nine months

Possible Renewals: Up to a maximum of two years, renewals subject to City of Goodyear,
Administrative review and approval

Funding Source: Water Resources Department operating budget (Operations and
Maintenance, and Utility Replacement Extension and Renewal Fund)
