

Plan of Operation:

Quick Quack Car Wash is a California-based company, an exterior-only, express car wash. The car wash is open daily from 7am to 9pm in the summer, and 7 am to 7 pm in the winter. During hours of operation, there are no less than 2 employees on site at any given time.

Aside from the big yellow duck named Quackals, Quick Quack Car Wash is probably best known for unlimited “wash all you want” car wash memberships and free vacuums available to all paying customers. Quick Quack Car Wash has established a track record of sponsoring local events and athletic programs, as well as contributing to community groups’ fundraising efforts. Quick Quack is regularly named the favorite or best car wash in the areas where it operates and has been recognized for sustainable business practices and water conservation.

Fully automated and computerized, the high-quality and environmentally-friendly car washing system uses neoprene foam, soft cloth and filtered, recycled water. The customer stays in their vehicle while being automatically guided through the car wash where the vehicle is soaked, soaped, washed, polished, rinsed with spot-free water, and dried, all in a matter of minutes.
