

Audit, Finance & Enterprise Committee Report

Date: March 4, 2019

To: Audit, Finance & Enterprise Committee

Through: Natalie Lewis, Deputy City Manager

From: Corinne Nystrom, A.A.E., Airport Director

Rick Welker, Financial Coordinator

Subject: Changes to Falcon Field Airport Schedule of Fees and Charges

Purpose and Recommendation

The purpose of this report is to recommend changes to the Falcon Field Airport's Schedule of Fees and Charges.

Background

Falcon Field Airport continues to serve the general aviation needs of the region. It currently rents City of Mesa-owned property and facilities, including three (3) Large Executive Hangars. An increase to the Large Executive Hangar and Large Executive Hangar Deposit enables the Airport to stay more current with the rates being charged for enclosed aircraft storage by similar businesses and airports and to offset increasing Airport maintenance and repair costs. Monthly rental fees for the Large Executive Hangar and the Large Executive Hangar Deposit have not been modified for over seven years.

Discussion

Falcon Field Airport reviews its Schedule of Fees and Charges on an annual basis to determine the relevance and reasonableness of all fees and charges. An annual survey is conducted to compare similar fees and charges with surrounding general aviation airports. Based on an analysis of the most recent survey results, a 5% increase in the current monthly rental rate for the Large Executive Hangar and Large Executive Hangar Deposit enables the Airport to stay more current with the rates being charged for enclosed aircraft storage and also provides additional financial resources for Airport general maintenance and repair.

Alternatives

The alternative is to leave the hangar fees at their current rate. This alternative would result in the Large Executive Hangar and Large Executive Hangar Deposit fee falling further behind the fair market value for similar properties.

Fiscal Impact

It is estimated that the proposed fee adjustments will result in approximately \$1,980 of total additional revenue in FY 2019-20.

Coordinated With

Falcon Field Airport has coordinated with the Office of Management and Budget on this recommendation to make changes to the Airport's Schedule of Fees and Charges.
