To: City Council

From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Renewal to the Term Contract for Storm Drain Grates and Manhole Covers for the Transportation Department **(Citywide)**

Recommendation

Council is requested to approve the contract renewal as recommended.

The Transportation Department and Purchasing recommend authorizing the renewal contract with Grate Solutions Company, Inc.; and Neenah Foundry Company; at \$116,700, based on estimated usage.

Background / Discussion

This contract provides Maricopa Association of Governments (MAG) standard storm drain grates and manhole covers for use by the Transportation Department. These grates and covers are used to replace damaged or missing pieces throughout the City.

Both vendors agreed to renew the contract under the same terms, conditions and current pricing. The vendors are reliable and have provided excellent customer service. The City has been satisfied with each vendor's performance. This contract continues to be advantageous to the City and it is in the City's best interest to renew the contract. Purchasing believes that rebidding this contract will likely result in higher prices.
