**Date:** April 1, 2019  
**To:** City Council  
**Through:** Michael Kennington, Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Three-Year Term Contract with Two Years of Renewal Options for Original Equipment Manufacturer (OEM) Heavy-Duty Truck Parts and Repairs for the Fleet Services Department **(Citywide)**

## Recommendation

Council is requested to approve the award as recommended.

The Fleet Services Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidders: Cummins, Inc. (a Mesa business); RWC International, LTD dba RWC Group; Rush Truck Centers of Arizona dba Rush Truck Center, Phoenix; and W.W. Williams Company LLC; at \$650,000 annually, with an annual increase allowance of up to 5% or the adjusted Producer Price Index.

## Background / Discussion

The Fleet Services Department provides maintenance and maintains a fleet of approximately 200 heavy-duty trucks. This contract will provide several vendors for Original Equipment Manufacturer (OEM) heavy-duty truck parts and service repairs. The contract will establish contracts for heavy-duty truck service labor rates and associated pricing required to complete repairs. The contract requires the vendor to be an authorized manufacturer representative of the services being quoted.
