Dear Ms. Morales:

Congratulations! I am delighted to inform you that HUD selected the project application(s) your organization submitted for funding under Fiscal Year (FY) 2018 Continuum of Care (CoC) Program project application(s) for a total of \$94,280.

The CoC Program is an important part of HUD's mission. CoCs around the country will continue to improve the lives of men, women, and children through their local planning efforts and through the direct housing and service programs funded under the FY 2018 CoC Program Competition. Projects like those of your organization, funded through the CoC program, continue to demonstrate their value by improving accountability and performance every year.

The enclosure provides details about your organization's award(s) including: the name(s) of the individual project(s); the project number(s); and the specific amount(s) of the obligation(s) for each conditionally selected application. At this time, HUD field office staff are not available to execute grant agreements. HUD will notify you when local field offices are available to process grant agreements, and once all conditions are satisfied and the grant agreement is executed, your organization can expend funds.

If you wish to appeal this decision, you will have 45 days to make such an appeal beginning when HUD makes the final award announcement. The final award announcement will be made shortly after HUD resumes normal operations. HUD will send an announcement over the listserv to indicate that a final award announcement has been made and indicating the deadline for appeals. See Section X of the FY 2018 NOFA for more details.

HUD commends your organization's work and encourages it to continue to strive for excellence in the fight to end homelessness.

Sincerely,
