For the purposes of providing funds to be used to refund the Bonds Being Refunded, there is hereby authorized the issuance and sale of not to exceed \$60,000,000 City of Mesa, Arizona Utility Systems Revenue Refunding Bonds, Series 2019B. The series designation of the bonds may change if the Series 2019B Bonds are not sold in calendar year 2019. The Series 2019B Bonds issued pursuant to this Thirty-Seventh Supplemental Resolution shall never be construed to be tax secured bonds of the City, as defined in A.R.S. § 9-521, or general obligation bonds of the City within the meaning of A.R.S. Title 35, Chapter 3, Article 3 or Article 4, or constitute a debt of the City under the Constitution and laws of the State. The Series 2019B Bonds shall be post-2002 Bonds for all purposes of the Master Resolution. The Series 2019B Bonds shall have no claim on or right to share in the pre-2003 Reserve Fund.

B. The Series 2019B Bonds are special obligations of the City payable solely from the Net Revenues (as defined in the Master Resolution) and secured as to the payment of the principal and redemption price thereof, and interest thereon, in accordance with their terms, the Master Resolution, and this Thirty-Seventh Supplemental Resolution. Subject to the provisions of Section 10(B) of the 1991 Master Resolution, the Net Revenues are hereby pledged and assigned as security for the payment of the principal of and interest on the Series 2019B Bonds. All Net Revenues shall be immediately subject to the pledge of the Master Resolution, this Thirty-Seventh Supplemental Resolution and all other resolutions amending the Master Resolution, without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all persons having claims of any kind in tort, contract or otherwise against the City, irrespective of whether such persons have notice thereof. Nothing contained in this section shall be construed as limiting any authority granted in the Master Resolution to issue Parity Bonds nor shall be deemed a limitation upon the issuance of bonds, notes or other obligations under any law pertaining to the City which are secured by moneys, income and funds other than the Net Revenues and other moneys and investments pledged hereunder.

Section 4. Terms of Series 2019B Bonds.

A. Terms. The Series 2019B Bonds shall be dated such date as set forth in the Bond Purchase Agreement, will mature July 1 in some or all of the years 2020 through 2033, inclusive, and will bear interest from their date to maturity or earlier redemption date of each of

the Series 2019B Bonds provided that the bond yield shall not exceed six percent (6.00%). The Series 2019B Bonds shall be initially issued in fully registered book-entry-only form in denominations equal to the maturity amount under the book-entry-only system (the "*Book-Entry-Only System*") of The Depository Trust Company ("*DTC*"). If the Book-Entry-Only System is discontinued, the Series 2019B Bonds shall be re-issued and delivered to the respective Owners (as defined herein) in the denomination of \$5,000 of principal each or any integral multiple of \$5,000 in excess thereof, shall bear interest from the most recent January 1 or July 1 to which interest has been paid or duly provided for or, if no interest has been paid or duly provided for, from their date, which interest shall be payable semiannually on January 1 and July 1 of each year during the term of each of the Series 2019B Bonds (each, an "*Interest Payment Date*"), commencing on July 1, 2019 (or such alternative date specified in the Bond Purchase Agreement).

B. Book-Entry-Only System. So long as the Series 2019B Bonds are administered under the Book-Entry-Only System, interest payments and principal payments that are part of periodic principal and interest payments shall be paid to Cede & Co. or its registered assigns in same-day funds no later than the time established by DTC on each interest or principal payment date (or in accordance with then existing arrangements between the City and DTC). The Letter of Representations previously entered into between the City and DTC shall apply to the Series 2019B Bonds so long as the Series 2019B Bonds are administered under the Book-Entry-Only System.

C. Registration. While the Series 2019B Bonds are subject to the Book-Entry-Only System, the Series 2019B Bonds shall be registered in the name of Cede & Co., or its registered assigns. If the Book-Entry-Only System is discontinued, the Bond Registrar's registration books will show the registered owners of the Series 2019B Bonds (collectively, the owner or owners of the Series 2019B Bonds as shown on the Bond Registrar's registration books shall be referred to as "*Owner*" or "*Owners*"). The Series 2019B Bonds will be administered by the Bond Registrar in a manner which assures against double issuance and provides a system of transfer of ownership on the books of the Bond Registrar in the manner set forth in the Series 2019B Bonds.

D. Payment. If the Book-Entry-Only System is discontinued, interest on the Series 2019B Bonds will be payable on each Interest Payment Date by check mailed to the Owner thereof at the Owner's address as shown on the registration books maintained by the Bond Registrar as of the close of business of the Bond Registrar on the fifteenth (15th) day of the month preceding an Interest Payment Date (the "*Record Date*").

If the Book-Entry-Only System is discontinued, principal of the Series 2019B Bonds will be payable, when due, only upon presentation and surrender of the Series 2019B Bonds at the designated office of a bank or trust company to be designated as the successor Bond Registrar. If the Book-Entry-Only System is discontinued, then, upon written request of an Owner of at least \$1,000,000 in principal amount of Series 2019B Bonds not less than twenty (20) days prior to an Interest Payment Date, all payments of interest and, if adequate provision for surrender is made, principal shall be paid by wire transfer in immediately available funds to an account within the United States of America designated by such Owner.

Notwithstanding any other provision of this Thirty-Seventh Supplemental Resolution, payment of principal of and interest on any Series 2019B Bond that is held by a securities depository or Series 2019B Bonds subject to the Book-Entry-Only System may be paid by wire transfer in "same day funds".

E. Other Terms. The Bonds shall have such additional terms and provisions as are set forth in substantially the form of the Bond attached hereto as Exhibit A and shall be sold under the terms and conditions set forth in the Bond Purchase Agreement.

Section 5. Redemption.

A. Optional Redemption. The Series 2019B Bonds may be subject to redemption as determined by the Chief Financial Officer and set forth in the Bond Purchase Agreement.

No Series 2019B Bond may be called for optional redemption prior to maturity if after such redemption any matured Series 2019B Bonds or interest payments shall be and remain unpaid or any Policy Costs shall remain due and unreimbursed.

The Series 2019B Bonds shall be redeemed by lot, as selected by the Paying Agent, and only in integral multiples of \$5,000.

B. Mandatory Redemption. The Series 2019B Bonds may be subject to mandatory redemption as determined by the Chief Financial Officer and set forth in the Bond Purchase Agreement.

Whenever Series 2019B Bonds subject to mandatory redemption are purchased, redeemed (other than pursuant to mandatory redemption) or delivered by the City to the Bond Registrar for cancellation, the principal amount of the Series 2019B Bonds so retired shall satisfy and be credited against the mandatory redemption requirements for such Series 2019B Bonds for such years as the City may direct.

C. Notice of Redemption.

(1) So long as the Series 2019B Bonds are held under the Book-Entry-Only System, notices of redemption will be sent to DTC in the manner required by DTC. If the Book-Entry-Only System is discontinued, notice of redemption of any Series 2019B Bond will be mailed to the Owner of the Series 2019B Bond or Series 2019B Bonds being redeemed at the address shown on the registration books maintained by the Bond Registrar not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption. Notice of redemption may be sent to any securities depository by mail, facsimile transmission, wire transmission or any other means of transmission of the notice generally accepted by the respective securities depository. Failure to properly give notice of redemption shall not affect the redemption of any Series 2019B Bond for which notice was properly given.

(2) Notice of any redemption will also be sent to the Municipal Securities Rulemaking Board (the "MSRB"), currently through the MSRB's Electronic Municipal Market Access system, in the manner required by the MSRB, but no defect in said further notice

or record nor any failure to give all or a portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above.

If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the City or by a Paying Agent prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on or prior to the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect. The notice of redemption shall describe the conditional nature of the redemption. If a conditional redemption notice has been given and money sufficient to redeem all the Series 2019B Bonds or portions thereof called for redemption is not held in separate accounts by the City or by a Paying Agent on the day set for redemption, then such redemption shall be cancelled and be of no force and effect.

The prior redemption terms for any Parity Bonds shall be set forth in the Supplemental Resolution authorizing such series of Parity Bonds.

D. Effect of Call for Redemption. On the date designated for redemption by notice given as herein provided, the Series 2019B Bonds so called for redemption shall become and be due and payable at the redemption price provided for redemption of such Series 2019B Bonds on such date, and, if moneys for payment of the redemption price are held in separate accounts by the Paying Agent, interest on such Series 2019B Bonds or portions of Series 2019B Bonds so called for redemption shall cease to accrue, such Series 2019B Bonds shall cease to be entitled to any benefit or security hereunder and the owners of such Series 2019B Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof and such Series 2019B Bonds shall be deemed paid and no longer outstanding.

E. Redemption of Less Than All of a Bond. The City may redeem an amount which is included in a Series 2019B Bond in an amount equal to or in excess of, but divisible by, \$5,000. In that event, except as otherwise provided for Series 2019B Bonds held in the Book-Entry-Only System, the registered owner shall submit the Series 2019B Bond for partial redemption and the Paying Agent shall make such partial payment and the Bond Registrar shall cause to be issued a new Series 2019B Bond in a principal amount equal to the unpaid amount remaining on such Series 2019B Bond after the redemption to be authenticated and delivered to the registered owner thereof.

Section 6. Form of Series 2019B Bonds. Pursuant to A.R.S. § 35-491, a fully registered bond form is adopted as an alternative to the form of bond provided in A.R.S. § 9-529. So long as the Book-Entry-Only System is in effect, the Series 2019B Bonds shall be in substantially the form of Exhibit A attached hereto and incorporated by reference herein, with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby or by the Bond Purchase Agreement and approved by those officers executing the Series 2019B Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval. If the Book-Entry-Only System is discontinued, the Series 2019B Bonds shall be reissued to the respective Owners and transferred in substantially the form of Exhibit A with such necessary and appropriate omissions, insertions and variations as are permitted or required hereby and are approved by those officers executing the Series 2019B Bonds; execution thereof by such officers shall constitute conclusive evidence of such approval.

The Series 2019B Bonds may have notations, legends or endorsements required by law, securities exchange rule or usage. Each Series 2019B Bond shall show both the date of the issue and the date of such Series 2019B Bond's authentication and registration. The Series 2019B Bonds are prohibited from being converted to coupon or bearer form without the consent of the City Council and approval of bond counsel.

Section 7. Application of Revenues.

A. The Chief Financial Officer previously created the following special funds and accounts to be held in trust for the Owners or the City, as the case may be, and expended as provided in the Master Resolution:

- (1) the Revenue Fund;

B. In addition to the payments required to be made into the Bond Fund required by the Master Resolution, the following additional payments shall be made to the Bond Fund with respect to the Series 2019B Bonds on or before the tenth (10th) day of each month:

- (1) Commencing on the 10th day of the month following the closing date of the Series 2019B Bonds, the amount due on the next succeeding interest payment date divided by the number of monthly payments that can be made prior to such next succeeding interest payment date, and commencing on the tenth (10th) day of the month following the first interest payment date, one-sixth (1/6) of the interest coming due on the next semiannual interest payment date on all of the Series 2019B Bonds then Outstanding; and
- (2) Commencing on the tenth (10th) day of the month following the closing date of the Series 2019B Bonds, the amount due on the next succeeding principal payment date divided by the number of monthly payments that can be made prior to such next succeeding principal payment date and commencing on the 10th day of the month following the first principal payment date, one-twelfth (1/12) of the principal becoming due on the next succeeding principal payment date on all Series 2019B Bonds then Outstanding.

Section 8. Disposition of Series 2019B Bond Proceeds.

A. Immediately upon closing of the Series 2019B Bonds, the proceeds from the sale of the Series 2019B Bonds shall be disposed of as follows: (1) all accrued interest and all net

original issue premium not to be applied to defease the Bonds Being Refunded (including any initial cash deposit), payment of the Costs of Issuance or the payment of the premiums for bond insurance for the Series 2019B Bonds (which may be paid directly by the Underwriters and credited to payment for the Series 2019B Bonds) shall be deposited in the Bond Fund, (2) the remaining proceeds shall constitute the "*Net Proceeds*" of the Series 2019B Bonds as the term is defined in A.R.S. § 9-535.01 shall be delivered to the Depository Trustee and used to acquire Government Obligations or to provide cash sufficient to complete the refunding pursuant to the Depository Trust Agreement. A portion of the proceeds, as determined by the Chief Financial Officer and set forth in the Depository Trust Agreement, will be delivered to the Depository Trustee and disbursed by the Depository Trustee to pay Costs of Issuance pursuant to the Depository Trust Agreement.

B. The Government Obligations in which such Net Proceeds are so invested, and any moneys in any existing fund pertaining to the Bonds Being Refunded held by the Depository Trustee under the Depository Trust Agreement, shall be held in trust by the Depository Trustee, under the Depository Trust Agreement, as required by A.R.S. § 9-535.01. The securities in which such proceeds are so invested shall comply in all respects with the requirements of A.R.S. § 9-535.01. After all Bonds Being Refunded shall have become due and payable through redemption prior to maturity, any amount in excess of the amount necessary for payment of all Bonds Being Refunded then payable at said redemption date shall be returned to the City and deposited in the Bond Fund.

Section 9. Acceptance of Offer; Sale of Series 2019B Bonds; Bond Purchase Agreement Approval. The Underwriters will purchase the Series 2019B Bonds pursuant to the Bond Purchase Agreement in substantially the form submitted to and on file with the City Clerk, as supplemented by the final terms as contemplated by this Thirty-Seventh Supplemental Resolution. When the final terms of such Series 2019B Bonds are known, the Bond Purchase Agreement shall be finalized. The Mayor, any member of the City Council or the Chief Financial Officer is each hereby authorized and directed to cause the Bond Purchase Agreement to be completed and executed; provided, however, that the parameters of this Thirty-Seventh Supplemental Resolution shall govern the Bond Purchase Agreement and neither the Mayor, any member of the Council, or the Chief Financial Officer is authorized to insert in the Bond Purchase Agreement any terms or conditions which would be contrary to this Thirty-Seventh Supplemental Resolution. Upon the completion, execution and delivery of the Bond Purchase Agreement, any or all of the Series 2019B Bonds are ordered sold to the Underwriters pursuant to the Bond Purchase Agreement.

The Chief Financial Officer is hereby authorized and directed to cause the Series 2019B Bonds to be delivered to or upon the order of the Underwriters upon receipt of payment therefor and satisfaction of all conditions for delivery thereof in accordance with the terms of the Bond Purchase Agreement.

Section 10. Resolution a Contract. To the extent applicable by provision of law, and to the extent this Thirty-Seventh Supplemental Resolution constitutes a contract, this Thirty-Seventh Supplemental Resolution is subject to cancellation pursuant to A.R.S. § 38-511, as amended, the provisions of which are incorporated herein as if herein fully set forth.

If the signatures are affixed or imprinted by facsimile, the Mayor, Chief Financial Officer, and City Clerk shall execute a certificate adopting as their signatures the facsimile signatures appearing on the Series 2019B Bonds. If an officer whose signature is on a Series 2019B Bond no longer holds that office at the time the Series 2019B Bond is authenticated and registered, such Series 2019B Bond shall nevertheless be valid. A Series 2019B Bond shall not be valid or binding until authenticated by the manual signature of an authorized representative of the Bond Registrar. The signature of the authorized representative of the Bond Registrar shall be conclusive evidence that such Series 2019B Bond has been authenticated and issued pursuant to this Thirty-Seventh Supplemental Resolution.

D. Official Statement. The preparation of a preliminary official statement, in substantially the form now on file with the City Clerk, to be used in connection with the sale of the Series 2019B Bonds is hereby authorized and approved and its distribution by the Underwriters is hereby authorized and approved. Such preliminary official statement is approved and may be deemed "final" for all purposes of Section 240.15c2-12, General Rules and Regulations, Securities Exchange Act of 1934 (the "*Rule*"), by the Mayor or the Chief Financial Officer. The City will cause a final official statement (the "*Official Statement*") in substantially the form of the preliminary official statement referred to above but with omissions permitted by

the Rule to be prepared and distributed with the Series 2019B Bonds in accordance with the Rule. The Mayor or the Chief Financial Officer is each hereby authorized to approve, execute and deliver the Official Statement on behalf of the City and the execution by either such officer shall be deemed conclusive evidence of such approval.

E. Authority. In the event the Mayor, any member of the Council, or any officer of the City is unavailable or unable to discharge any obligation or duty with respect hereto, including the approval, execution or attestation of the Series 2019B Bonds or other documents, then any member of the Council may act in the capacity of such officer for the purpose of discharging such obligation or duty. Section 12. Additional Covenants. The City, in consideration of the purchase of the Series 2019B Bonds by the Owners thereof, covenants to take all actions and do all things within its power to create, perfect and enforce the pledge of Net Revenues supporting the Bonds and any additional Parity Bonds hereafter issued. The City further covenants and agrees to take all actions and do all things within its power to maintain the priority of the Owners of the Bonds as holding a first lien on the Net Revenues.

The Mayor and Council hereby authorize the Chief Financial Officer, or his or her designee, to represent and act for the City in all matters pertaining to the City's tax-exempt bonds, as may be necessary to comply, on a continuing basis, with the Internal Revenue Service, Securities and Exchange Commission and other governmental entities' requests, reporting requirements and post-issuance compliance policies and matters.

The City Manager, the Chief Financial Officer or the designated representative of either shall order that the Bonds Being Refunded, that are subject to redemption, be irrevocably called for redemption prior to their stated maturity dates on the earliest call date available for each or such other date as such officer shall determine. The maturities of the Outstanding Utility Systems Revenue Bonds and Utility Systems Revenue Refunding Bonds selected for refunding are the Bonds Being Refunded. The City Council hereby orders that the series and the maturities of the Bonds Being Refunded and date of redemption will be determined by the Chief Financial Officer, with the advice of the Financial Advisor, and will be as set forth in the Official Statement and the Depository Trust Agreement.

Section 14. Bond Insurance or Credit Enhancement. Interest payments and principal payments that are part of periodic principal and interest payments shall be received by Cede & Co., as nominee of DTC, or its registered assigns in same-day funds no later than the time established by DTC on each interest or principal payment date (or in accordance with existing arrangements between the City and DTC). The "Record Date" for the Bonds shall be the fifteenth day of the month preceding an interest payment date.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and laws of the State of Arizona to exist, to occur and to be performed precedent to and in the issuance of this bond exist, have occurred and have been performed and that the series of bonds of which this is one, together with all other indebtedness of the City, is within every debt and other limit prescribed by the Constitution and laws of the State of Arizona.

This bond is one of a series of bonds in the aggregate principal amount of \$_____ of like tenor except as to amount, maturity date, redemption provisions, interest rate and number, issued pursuant to the Constitution and laws of the State of Arizona including Title 9, Chapter 5, Article 3, Arizona Revised Statutes, the special bond elections held in and for the City on March 29, 1994, November 2, 2010 and November 4, 2014, Resolution No. 6362 adopted by the Mayor and Council of the City on July 29, 1991, as amended and supplemented, and Resolution No. _____ adopted by the Mayor and Council of the City on April 1, 2019 (collectively, the "Bond Resolution"), for purpose of providing funds to refund certain outstanding revenue bonds payable from revenue of the System (as defined herein), to pay accrued interest on the bonds and to pay all legal, financial and other necessary costs in connection therewith.

The bonds are payable as to both principal and interest from and secured by a prior and paramount lien and pledge of the revenues, proceeds and receipts to be derived by the City from the operation of the City's water, wastewater, electrical, natural gas, and solid waste (garbage and rubbish) utility systems (collectively, the "System"), subject only to the payment of the reasonable and necessary cost of operating and maintaining the System. Reference is made to the Bond Resolution for a more complete statement of the provisions made to secure payment of the bonds, the revenues from which and conditions under which this bond is payable, statements of the terms under which the Bond Resolution may be modified, and the general covenants and provisions pursuant to which this bond is issued. Said income and revenues are required by the Bond Resolution to be fully sufficient to pay the cost of operating and maintaining the System and to pay the principal of and interest on this bond promptly as each becomes due and payable. The City has covenanted and does hereby covenant that it will fix and impose such rates and charges for the System's services rendered by the System and will collect and account for sufficient revenues to pay promptly the principal of and interest on this bond and all bonds on a parity with this bond. This bond and the interest hereon are enforceable exclusively from the revenues pledged thereto in the Bond Resolution and no owner hereof shall have the right to compel any exercise of the taxing power of the City to pay this bond or the interest hereon. This bond does not constitute an indebtedness or pledge of the general credit of the City within the meaning of any constitutional, charter or statutory provisions relating to the incurring of indebtedness. This bond is a post-2002 Bond, as defined in the Bond Resolution. As such, this bond has no claim against or right to share in the "pre-2003 Reserve Fund" which pertains only to bonds issued under the terms of the bond resolutions prior to January 1, 2003.

The bonds maturing on or before July 1, 20__ are not subject to call for redemption prior to maturity. The bonds maturing on or after July 1, 20__ are subject to call for redemption prior to maturity, at the option of the City, in whole or in part on July 1, 20__, or on any date thereafter, by the payment of a redemption price equal to the principal amount of each bond called for redemption plus accrued interest to the date fixed for redemption, but without premium.

So long as the bonds are held under the book-entry-only system, notices of redemption will be sent to DTC, in the manner required by DTC. If the book-entry-only system is discontinued, notice of redemption of any bond will be mailed to the registered owner of the bond or bonds being redeemed at the address shown on the bond register maintained by the registrar not more than sixty (60) nor less than thirty (30) days prior to the date set for redemption. Notice of redemption may be sent to any securities depository by mail, facsimile transmission, wire transmission or any other means of transmission of the notice generally accepted by the respective securities depository. Failure to properly give notice of redemption shall not affect the redemption of any bond for which notice was properly given. Notice of any redemption will also be sent to the Municipal Securities Rulemaking Board (the "MSRB"), currently through the MSRB's Electronic Municipal Market Access system, in the manner required by the MSRB, but no defect in said further notice or record nor any failure to give all or a portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed above.

If moneys for the payment of the redemption price and accrued interest are not held in separate accounts by the City or by a paying agent prior to sending the notice of redemption, such redemption shall be conditional on such moneys being so held on or prior to the date set for redemption and if not so held by such date, the redemption shall be cancelled and be of no force and effect.

So long as the book-entry-only system is in effect, this bond is non-transferable. If the book-entry-only system is discontinued, this bond is transferable by the registered owner in person or by attorney duly authorized in writing at the designated office of the registrar, which on the original issue date is the office of U.S. Bank National Association, Phoenix, Arizona, upon surrender and cancellation of this bond. Bonds of this series are issuable only in fully registered form in the denomination of \$5,000 of principal each or integral multiples of \$5,000 in excess thereof.

The City, the registrar and the paying agent may treat the registered owner of this bond as the absolute owner for the purpose of receiving principal and interest and for all other purposes and none of them shall be affected by any notice to the contrary.

The City has caused this bond to be executed by its Mayor and attested by its City Clerk, which signatures may be facsimile signatures. This bond is not valid or binding upon the City without the manually affixed signature of the registrar. This bond is prohibited from being issued in coupon or bearer form without the consent of the City, and the satisfaction of certain other conditions.
