

City Council Report

Date: June 3, 2019
To: City Council
Through: Michael Kennington, Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Seven-Month Term Contract with a One-Year Renewal Option for Bird Repellent Services for the Parks, Recreation and Community Facilities Department **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Parks, Recreation and Community Facilities Department and Purchasing recommend authorizing the purchase using the Maricopa County cooperative contract with SouthWest Avian Solutions, LLC; and National Environmental Solutions, LLC; at \$50,000, annually with an annual increase allowance of up to 5% or the adjusted Consumer Price Index.

Background / Discussion

This contract will provide bird repellent services to City buildings. The City's previous contractor that was handling these services suddenly went out of business and the service is needed immediately.

The State cooperative contract has been competitively bid, meets the City's procurement requirements and provides for the lowest possible cooperative pricing. Going out for a formal bid would only delay the needed service and not result in any cost savings to the City. Using the cooperative contract will satisfy the needs of the City in an expedited manner.
