

City Council Report

Date: August 19, 2019
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: One-Year Renewal to the Term Contract for Welding Services for the Transportation Department **(Citywide)**

Recommendation

Council is requested to approve the contract renewal as recommended.

The Transportation Department and Purchasing recommend authorizing the renewal with Grate Solutions Co., Inc., at \$50,000 annually, based on estimated usage.

Background / Discussion

This contract provides storm drain tethering (welding services) from an experienced contractor on an as-needed basis. Services include welding tether chains to catch basin grates to deter grate thefts. Work is performed at a variety of locations within City limits including but not limited to privately owned property, commercial property, and property owned by other government agencies.

Grate Solutions Co. agreed to renew the contract under the same terms, conditions and current pricing. The City has been satisfied with the vendor's performance. This contract continues to be advantageous to the City and it is in the City's best interest to renew the contract for the final year.
