

City Council Report

Date: September 9, 2019

To: City Council

Through: Scott J. Butler, Deputy City Manager, Government Relations

From: Sharon Skinner, Grants Coordinator

Subject: Resolution approving and authorizing the City Manager to accept Proposition 202 funds from the Gila River Indian Community and administer awarded funds as pass-through grants to designated awardees. (Citywide)

Purpose and Recommendation

This requested resolution will approve and authorize the City Manager to accept Proposition 202 funds from the Gila River Indian Community (GRIC) and administer awarded funds as pass-through grants to designated awardees.

The Gila River Indian Community wishes the City of Mesa to receive and distribute \$210,900 from its 2019 12% revenues for grants as follows:

\$40,000.00 to Gene Lewis Boxing Club for their Building Hope Together program for youth.

\$30,000.00 to Mesa Arts Center for their Creative Aging program (2-year grant).

\$15,675.00 to House of Refuge for their Electrical Panel Replacement project.

\$15,225.00 to City of Mesa Police Department Crisis Response team for the Be Safe Certification and Community Engagement project.

\$10,000.00 to Vets' Community Connections for their Vets' Community Connections Services in Maricopa County.

\$100,000.00 to Save the Family Foundation of Arizona for their Rapid Re-Housing for Homeless Families program.

Staff recommends approval of this resolution.

Background

Proposition 202, passed with the 2002 Gaming Compact in Arizona, directs participating Tribal Governments to share 12% of their gaming revenues with surrounding local governments. Nonprofit organizations are only eligible to compete with a local government agreeing to serve as a pass-through agent.

Discussion

A resolution of support for this grant request will complete the necessary documentation for Gila River Indian Community to move forward with funding the selected awardees. Proposition 202 Indian Gaming Grants has returned over \$10 million to our community since its passage in 2002 from five surrounding tribal governments.

Alternatives

The only alternative to adopting this resolution would be to not adopt. Such an action would deny the awarded organizations access to this funding source.

Fiscal Impact

These pass-through grants will have a negligible fiscal impact in the form of administration costs to accept payment and cut checks for fund disbursement.
