- 6-c. Amending Title 8, Chapter 6, Sections 1 through 4, 9, and 13 of the Mesa City Code, pertaining to Public Nuisances, Property Maintenance and Neighborhood Preservation. The changes include who interprets the Nuisance Code; the definitions of: responsible parties, blight, pigeons, recreational vehicles, and right of way; who is responsible for: parcels with weeds, parcels with debris/trash, the display of residential addresses; and adds certain prohibitions as to the feeding of pigeons, temporary parking of recreational vehicles and watercraft on driveways, and the storage of recreational vehicles on residential parcels; and penalties for civil violations. **(Citywide)** – Ordinance No. 5524

Richard Urnberg, a Mesa resident provided Council with photos regarding a pigeon problem in his neighborhood. He stated there has been many phone calls to the City to find out who would handle this type of situation. He noted the pigeons are waiting for food as early as 6:00 a.m. on the roof, street and in the front yard. He remarked the pigeons are the biggest nuisance and asked if there was someone or something the City can do to provide direction on taking care of this situation.

Mayor Giles commented that he would have staff respond to this request from Mr. Urnberg.

Dave Wells, a Mesa resident highlighted code compliance violations around his neighborhood with car and recreational vehicle parking on streets and in driveways, and overgrown vegetation in front yards. He asked staff to make it a point to respect property rights and specify what the ordinance does and does not cover.

City Attorney Jim Smith pointed out the ordinance mimics portions of the code from Scottsdale and Chandler. He added the language is comparable to other neighboring municipalities.

Code Compliance Administrator Lieutenant Ryan A. Russell addressed overgrown vegetation and stated it is not a criminal violation, and the current standard is nine inches or 10% of the parcel covered by vegetation. He explained the City is making changes to allow residents to park their trailers, recreational vehicles (RV) or watercrafts in a driveway or roadway in front of a house for up to 72 hours.

In response to a series of questions from Councilmember Whittaker, Lt. Russell clarified residences with trailers, RV's or watercrafts parked in the street or driveway for longer than 72 hours will be served a notice of violation. He continued by saying RV's and watercrafts must be parked in the rear of the house behind a six-foot wall or gate or at a storage facility.

In response to a question from Vice Mayor Freeman regarding teardrop trailers, Lt. Russell explained if the trailer is over six feet in height it is required to be stored behind a wall or gate in the rear yard.

Lt. Russell confirmed the size restrictions for storing in the rear yard have been changed and if the trailers, RV's or watercrafts can fit they can be stored at that residence.

It was moved by Councilmember Freeman, seconded by Councilmember Luna, to amend Title 8, Chapter 6, Sections 1 through 4, 9, and 13 of the Mesa City Code, pertaining to Public Nuisances, Property Maintenance and Neighborhood Preservation and authorize Ordinance No. 5524 be adopted.
