

City Council Report

Date: December 2, 2019
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Purchase of a Compact Wheel Loader (Addition) for the Transportation Department as requested by the Fleet Services Department (**Funded by the Local Streets Fund**) (**Citywide**)

Recommendation

Council is requested to approve the award as recommended.

The Fleet Services and Transportation Departments, and Purchasing recommend authorizing the purchase using the Omnia Partners (formerly National IPA/City of Tucson) cooperative contract with Empire Southwest, LLC (a Mesa business) at \$75,742.66.

Background / Discussion

This purchase of a new Caterpillar compact wheel loader will be utilized to support Transportation's dedicated debris clean-up program. The citywide debris clean-up program was created as a result of a Council initiative and will be operated by a two-person crew. The compact wheel loader will allow staff to pick up debris in a safe and efficient manner and deposit material into the back of a rear loader refuse truck.

Omnia Partners renewed their contract from 5/19/2019 through 5/13/2023. Using this contract for this purchase is advantageous to the City due to volume competitive pricing, and the City has been satisfied with Empire's performance and products.
