

City Council Report

Date: March 2, 2020
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Three-Year Term Contract with Two Years of Renewal Options for Precast Electric Vault Tops and Associated Services for the Energy Resources Department (**Funded by 2014 Electric Bonds**) (**Citywide**)

Recommendation

Council is requested to approve the award as recommended.

The Energy Resources Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidders: Oldcastle Infrastructure, Inc.; and Jensen Enterprises, Inc. dba, Jensen Precast; at \$1,019,800 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.

Background / Discussion

This contract will provide for the fabrication and initial purchase of approximately eight to twelve select concrete electrical vault tops and associated services, plus future vault top purchases as needed, for Electric Utility's ongoing vault inspection and maintenance program. Electric Utility is continuing with their vault repair/replacement program and the project is expected to require replacement of the top precast concrete section for several styles of vaults.
