

City Council Report

Date: April 6, 2020
To: City Council
Through: Michael Kennington, Deputy City Manager/Chief Financial Officer
From: Edward Quedens, Business Services Director
Matt Bauer, Procurement Administrator
Subject: Three-Year Term Contract with Two Years of Renewal Options for Anodeless Service Risers for the Materials and Supply Warehouse (for the Energy Resources Department) **(Citywide)**

Recommendation

Council is requested to approve the award as recommended.

The Business Services and Energy Resources Departments and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Hubbell dba, Lyall, at \$372,000 annually, with an annual increase allowance of up to 5%, or the adjusted Producer Price Index.

Background / Discussion

This contract will provide 1" and 2" anodeless service risers and pre-assembled ¾" anodeless service riser kits for new service installations and repair work by Energy Resources - Gas Utility. Materials and Supply places orders and maintains stock inventory as needed.

Anodeless service risers are the portion of the natural gas service line required to transition from the underground service piping to the customer's above ground meter. They are specially designed to isolate electrically the customer's meter from the rest of the natural gas system for purposes of corrosion protection and to provide a protective casing for the internal polyethylene piping.
