

Final Citizen Participation Report

Purpose: This citizen participation plan is to inform citizens, neighbors, property owners, registered neighborhoods/HOA's, schools, businesses and any other interested parties if requested by the City or Client of the Site Plan application for approval of a new medical office building. The goal of this plan is to provide awareness and an opportunity for feedback and support from the community and general vicinity in which this project will serve.

Request: This is an application for approval of the site plan from the Planning & Zoning Board/City Council for a new medical office building.

Location: 10032 E. Southern Avenue, Mesa, AZ – near the NEC of Crismon Road and Southern Avenue.

APN # 220-71-982
