

# City Council Report

**Date:** August 24, 2020  
**To:** City Council  
**Through:** Michael Kennington, Deputy City Manager/Chief Financial Officer  
**From:** Edward Quedens, Business Services Director  
Matt Bauer, Procurement Administrator  
**Subject:** Purchase of Dispatch Base Station Radio Equipment (Replacement) for the Mesa Police Department **(Funded by Public Safety Sales Tax)**

## Recommendation

Council is requested to approve the award as recommended.

The Department of Innovation and Technology, Mesa Police Department, and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with Motorola Solutions, Inc., at \$433,000, based on estimated requirements.

## Background / Discussion

The current equipment is eighteen (18) years old, it does not support Multiple Encryption keys and is no longer supported by the manufacturer. This project will replace the existing twenty-one (21) base station radios and antennas located at Mesa Police Dispatch. The radios are primarily used for mission-critical two-way communications as emergency backup stations when infrastructure is off-line or during periods of network outages.

This Control Station replacement will require the purchase of twelve (12), Motorola proprietary console license options installed in the existing Motorola MCC7500 dispatch consoles. This will allow full functionality with the new control stations and therefore, the City is able to only purchase from Motorola Solutions.

## Purchase Information

Action: Award  
Procurement Type: Cooperative Contract Use  
Contract Number: 2021017  
Contracting Agency/Contract Number: State of Arizona/CTR046830  
Local Consideration: Policy did not apply to this procurement method  
Funding Source: Public Safety Sales Tax Fund
