RE: Law Enforcement Safety Equipment Funding

Dear Attorney General Brnovich,

The Mesa Police Department is grateful for the recent funding award for safety equipment you authorized. Per the award letter, we were granted \$49,000. However, the Attorney General's Office sent \$50,000.

This letter is a formal request to retain the additional \$1,000 in funds to be utilized toward the purchase of ballistic shields, as outlined in our original application.

If you have any question or concerns, please do not hesitate.

Respectfully,

Chief Ken Cost
