*2. Approval of minutes from previous meetings as written.

Minutes from the April 21, May 2, 5, 12, and 19, and June 6 and June 20, 2016 Council meetings.

3. Take action on the following contracts:

- *3-a. One-Year Renewal of the Term Contract for Large Print Library Books for the Library Services Department. **(Citywide)**

The Arts & Culture Department and Purchasing recommend authorizing the final, one-year renewal with Atlasta Catering Service, Inc., for the management of concessions at Mesa Arts Center. The vendor pays the City a commission percentage of the gross receipts for food, beverage and liquor sales for concession services; and for catering services.

- *3-e. Three-Year Term Contract for Polyurethane Roof Foam and Coating for Citywide Facilities/Projects as requested by the Parks, Recreation and Community Facilities Department. **(Citywide)**

This contract will establish a pre-qualified contractors list of four contractors that will be eligible to competitively quote for City polyurethane roof foam and coating projects.

The evaluation committee recommends awarding the contract to the four highest scored proposals from Sprayfoam Southwest, Inc., dba Roofing Southwest; Foam Experts Roofing, Inc. (a Mesa business); Progressive Services, Inc., dba Progressive Roofing; and Tecta America Arizona; projects quoted under this agreement will not exceed \$500,000 annually.

The Parks, Recreation and Community Facilities Department, Transportation Department and Purchasing recommend authorizing the renewal with West Coast Arborists, Inc., at \$410,000 annually, based on estimated requirements.

- *3-g. Three-Year Term Contract for Perennial Ryegrass Seed for the Parks, Recreation and Community Facilities Department. **(Citywide)**

This contract is for the annual purchase of perennial ryegrass seed for application and growth of grass during the winter months at site sections of Dobson Ranch Golf Course, Fitch Park, Gene Autry Park, Eastmark Great Park, Red Mountain Park, Hohokam Park, Cemetery and Riverview Park. These sites are highly visible and heavily used for recreational activities in the winter months and not over-seeding may degrade the dormant Bermuda grass due to high usage rates.

The Parks, Recreation and Community Facilities Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Wilbur Ellis Company, at \$100,000 annually, based on estimated requirements.

- *3-h. One-Year Renewal of the Term Contract for Global Positioning System (GPS) Equipment and Offender Monitoring Services for the Municipal Court. **(Citywide)**

- *3-i. One-Year Renewal of the Term Contract for Ballistic Body Armor for the Police Department. **(Citywide)**

The Police Department's SWAT Team requires specialty body armor, separate from the style most commonly worn by daily patrol operations. GMS Tactical has been very responsive to the SWAT Team's needs, and continues to be the most advantageous vendor based on providing a complete package, including quick turnaround on necessary repairs.

The Police Department and Purchasing recommend authorizing a one-year renewal with GMS Tactical, LLC (a Mesa business), at \$50,000 annually, based on estimated requirements.

- *3-j. Three-Year Term Contract for Controlled Substance Screening for the Police Department. **(Citywide)**

This contract will ensure that testing procedures of Police personnel are in place that coincide with the Department's policies. It is estimated that approximately 30 tests per month will be conducted.

The Police Department and Purchasing recommend awarding the contract to the highest-scored proposal from Norton Medical Industries, at \$30,000 annually, based on estimated requirements.

- *3-k. Dollar-Limit Increase to the One-Year Term Contract for Repair and Maintenance Parts for the Severn Trent Chlorine System for the Water Resources and Parks, Recreation and Community Facilities Departments (Sole Source). **(Citywide)**

The Parks, Recreation and Community Facilities Department (PRCF) has requested to be added to the contract, increasing the annual contract amount by \$40,000. PRCF uses Severn Trent equipment for water sanitation at their aquatic facilities, which is required to be compliant with Maricopa County regulations for public pool use.

Water Resources requires an increase of \$80,000 for the one-time replacement of obsolete injectors, including 70 injectors, nozzles and 25 preventative maintenance kits to be replaced within the next six months.

The Water Resources Department, Parks, Recreation and Community Facilities Department and Purchasing recommend authorizing a dollar-limit increase of \$120,000 with the sole source vendor, McCarthy Integrated Systems LLC, increasing the annual contract amount from \$120,000 to \$240,000 for the one-year contract term.

- *3-l. Purchase of 21 Replacement Precast Electric Vault Tops and Associated Services for the Energy Resources Department. **(Citywide)**

This purchase is required to replace damaged and deteriorated vault lids that are a safety hazard or threat to electric service reliability. These vault tops are needed immediately while awaiting the completion of specifications that will allow the bidding of a contract for all vault components required for the construction and installation of new vaults, for components used in the repair and maintenance of existing vaults, and the supply of distribution transformers and switch pads.

The Energy Resources Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Oldcastle Precast Inc., at \$172,006.76. This purchase is funded by 2014 authorized Electric bonds.

- *3-m. Purchase of One PM-10 Certified Street Sweeper for the Transportation Department. **(Citywide)**

This purchase will provide a small, high performance rider sweeper. With the addition of many bicycle, pedestrian and shared-use pathways to the transportation system, it has become necessary to obtain a narrower sweeper suitable to clean these trails and pathways, as the City's existing sweepers are too large for this purpose. It will be a resource to clean City facilities that are too narrow for larger sweepers and will also improve the efficiency of such operations by minimizing manual work.

The Transportation Department, Fleet Services Department and Purchasing recommend authorizing the purchase from the City of Phoenix cooperative contract with Tennant Sales and Service Company, at \$211,595.21. This purchase is grant funded by Arizona Department of Transportation, FY 2016 Congestion Mitigation and Air Quality (CMAQ) Improvement Program (\$166,756.00) and the Environmental Compliance Fee (\$44,839.21).

- *4-d. Levying the amount to be collected by a secondary property tax and the rate upon each one hundred dollars (\$100) of assessed valuation of property subject to taxation within the City of Mesa for the fiscal year ending June 30, 2017. **(Citywide)** – Resolution No. 10823

The FY 2016-17 secondary property tax rate of \$1.1578 represents a 4.5% reduction from the prior year's tax rate while maintaining a tax levy of \$33.4 million.

9. Items from citizens present.

Rosa Ramirez, a Mesa resident, shared her concerns related to Mesa Royale. She expressed the opinion that the City is not being honest with residents and is denying them financial assistance. She reported that residents were informed that they could stay if they continued paying their rent and taxes, which they have done.

Simona Cruz, a Mesa resident, pointed out that she has attended many meetings and requested clarification regarding Mesa Royale. She indicated that residents were willing to leave if they received assistance from the City of Mesa.

Irlanda Nez, a Mesa resident, stated that she is aware that Mesa has the funds necessary to buy the land and believes that doing so will improve the City by reducing crime. She explained that the residents of Mesa Royale look out for each other and their neighborhood. She added that it would be a crime to remove them from their homes and indicated that the motels near Mesa Royale were responsible for crime and should be removed instead of Mesa Royale.

Mayor Giles invited the concerned residents of Mesa Royale to meet with City staff after the meeting in order to gain clarity and understanding.
