1. Review and discuss items on the agenda for the September 21, 2020 Regular Council meeting.

All of the items on the agenda were reviewed among Council and staff and the following was noted:

Conflict of interest: None

Items removed from the consent agenda: Item 6-a.

2-a. Hear a presentation and discuss an update on the programs and services provided by the Mesa Historical Museum.

Arts and Cultural Director Cindy Ornstein introduced Susan Ricci, Executive Director of the Mesa Historical Museum and displayed a PowerPoint presentation. **(See Attachment 1)**

Ms. Ricci reviewed the types of activities completed at the Mesa Historical Museum (MHM) during the pandemic shut down. (See Page 2 of Attachment 1)

Ms. Ricci displayed pictures showing the temporary inventory set up in the auditorium where the staff cleaned rooms and inventoried collections. (See Page 3 through 4 of Attachment 1)

Ms. Ricci shared the MHM does special exhibits twice per year, but because of the circumstances, the museum will have the upcoming exhibit, *Women in Aviation* running through Memorial Day of 2021. She explained the Wings of Flight Foundation at Falcon Field, Phoenix 99's, Chandler Museum, and the Pima Air and Space Museum assisted with the exhibit since the pandemic made it difficult to request out of state inventory. She shared photographs of the inventory obtained for the exhibit. (See Pages 6 through 9 of Attachment 1)

Ms. Ricci expressed excitement about the inventory from the 1900's that is being loaned to the museum. She mentioned when the museum rotates exhibits, a Lehi school exhibit will be featured in one of the small rooms. (See Pages 10 through 12 of Attachment 1)

Ms. Ricci stated museum staff recently updated the Mesa History room during the closure. She pointed out the Baseball exhibit was relocated to another room, and agriculture was incorporated into the history room in place of baseball, since it is an important part of the settling in Mesa. She provided some of the many topics covered in the exhibit such as ranching, blacksmithing, and the role of women. She displayed photos of the newly remodeled exhibit. (See Pages 13 through 15 of Attachment 1)

Ms. Ricci announced the MHM will be creating a Founding Families exhibit that will display different vignettes of what daily living was like for the founders, as well as photographs of the families. She hoped the front porch vignette could become interactive so speakers can come to the museum to tell stories about the history of Mesa. (See Pages 16 through 17 of Attachment 1)

Ms. Ricci announced a few of the future exhibits that will be created for 2021. (See Pages 18 of Attachment 1)

Ms. Ricci highlighted the grants and awards the MHM received during the closure. She mentioned placing a television on the front porch vignette so the museum can run videos and interviews about the exhibit throughout the day. (See Page 19 of Attachment 1)

Ms. Ricci discussed the upcoming fundraising events for the MHM, which include a rummage sale, book fair, cemetery tours, and other events that will be created by the fundraising committee. (See Page 20 of Attachment 1)

Ms. Ricci noted the online collections and virtual exhibits that are currently available. (See Pages 21 through 23 of Attachment 1)

Ms. Ricci thanked Vice Mayor Freeman for recommending Robert Wilson who has volunteered to help catalog the MHM collections.

Ms. Ricci commented the grand reopening of the MHM will be October 10, 2020 with limited hours until November 1, 2020.

Mayor Giles expressed excitement to see the MHM opening and said the museum is a very pandemic friendly place in terms of social distancing. He looked forward to participating in the upcoming cemetery tour.

Vice Mayor Freeman commented he was invited to talk about a direct decedent of the Crismon family, and a direct decedent of Daniel W. Jones who was one of the founding leaders of Lehi.

Councilmember Duff thanked MHM for putting together the exciting collections of Mesa history, specifically the *Women in Aviation* exhibit. She mentioned this exhibit is an untold story and that she is appreciative of the exhibit at this time since this year we are celebrating the 100th anniversary of women's suffrage.

Councilmember Thompson indicated he was impressed with the MHM exhibits, especially the Play Ball display.

Councilmember Luna congratulated Ms. Ricci and staff about the *History of Mesa* exhibit. He is looking forward to seeing the museum in the future.

In response to a question from Mayor Giles, City Manager Christopher Brady stated a plan for reopening Mesa's museums will be presented in October.

Tips for Searching

Keyword Search

The **Keyword Search** button allows you to perform a general search across multiple fields for any catalog records online. Keyword searches use OR as the default connector between words (e.g. a search for *Harley Ranch* will return records associated with *Harley* OR *Ranch*). If you want to find records where both keywords are found, type in AND between the two words. To search for a specific phrase, be sure to put the phrase within quotes (e.g. "Rocky Pine Ranch"). You can also use the asterisk (*) as a wildcard (e.g. a search for *histor** would come up with records containing *history*, *histories*, *historical*, etc.). Searches are not case sensitive.

Advanced Search

The **Advanced Search** button can help you be more specific with your search. You can search for a word or phrase within a particular search category or use multiple categories to further narrow down your search results. For example, searching *White* in the People field will bring up any records associated with a member of the *White* family, without having to sift through black & white photographs. You can also search People and Creator records through **Advanced Search**. Phrase searching with quotes and use of wildcards (*) are available in **Advanced Search**.

Random Images

The **Random Images** button is a great way to just browse the collection. Each Random Images page displays a random assortment of images from the records online. If something piques your interest, click the thumbnail to view a larger version of the image.
