Title:	Three-Year Term Contract for Slurry Seal Sand for the Transportation Department (Single Bid) (Citywide)		
	Slurry seal sand is used to seal and maintain Mesa's road surfaces. The sand seals weathered pavements, fills fine cracks in the pavement surface and provides additional skid resistance to the pavement.		
	Transportation and Purchasing recommend awarding the contract to the single respondent, Vulcan Materials Co., at \$625,000 annually, based on estimated requirements.
