Title:	<p>Approving and authorizing the submittal of two grant applications with the Arizona Department of Transportation for the purchase of two PM-10 certified street sweepers for FY2017, and authorizing the City Manager to execute such documents as may be necessary to accept the grants, if awarded. (Citywide)</p> <p>Under the conditions of the federal Congestion Mitigation and Air Quality (CMAQ) Improvement Program, recipients of the grant are required to provide a 5.7% local match to the federal funds that are awarded. This local match and any needed additional options will be funded by the Environmental Compliance Fee in the Transportation Department's FY17/18 operations budget. The grants would allow the Transportation Department to purchase two new PM-10 certified sweepers to replace two sweepers that are at the end of their useful life.</p>
