Title:	Purchase of Two Replacement Meter Test Boards for the Energy Resources Department (Single Response) (Citywide)		
	This purchase will provide one 3-phase bench mounted unit and one single-phase portable unit, used to test the accuracy of all meters in the electric distribution system. The new meter test boards will replace two existing, less efficient, less reliable single-phase meter test boards that are over ten years old and in disrepair.		
	The Energy Resources Department - Electric Utility, and Purchasing recommend awarding the contract to the single, responsive and responsible bidder, Watthour Engineering Co., Inc., at \$81,653.63. This purchase is funded by the Utility Replacement Extension and Renewal Fund.
