Title:	 Lifecycle Replacement Purchase of Wi-Fi Technology for the Police Department as requested by the Information Technology Department (Citywide) This purchase will replace/upgrade Cisco hardware, software and equipment from the Police Department's initial Wi-Fi implementation in 2008 through ITD's Lifecycle Replacement program. It will allow for centralized management and control of Wi-Fi networking across all Police Department facilities where Wi-Fi is deployed. The Information Technology Department, Police Department, and Purchasing recommend authorizing a purchase from the State of Arizona cooperative contract and lowest-quoted vendor, Insight Public Sector at \$65,541.88; and the Maricopa County cooperative contract and lowest-quoted vendor, CDW -G at \$55,097.42; for the combined total award of \$120,639.30. This purchase is funded by ITD Lifecycle Program Budget.
