Title: Dollar-Limit Increase to the Term Contract for Electrical Products for various City Departments as requested by the Business Services Department (Citywide)

During the term of the contract, Facilities Maintenance utilized this contract for various HVAC projects, which accounted for a large portion of the contract value for 2017. It is anticipated that the increase will facilitate needs through the contract term ending 3/31/2018.

The Business Services Department and Purchasing recommend increasing the dollar-limit using the County of Los Angeles cooperative contract with Graybar by \$50,000, from \$374,000 to \$424,000, based on estimated usage.
