Type: Contract

Status: Agenda Ready

In control: City Council

On agenda: 2/26/2018

Title: Thirty-Three Month Term Contract for Gas Service Regulators for the Materials and Supply Warehouse (for the Energy Resources Department) (Citywide)

This contract will provide gas service regulators for new construction projects and maintenance and repair of existing facilities in the City's natural gas distribution system. The contract establishes a list of pre-approved vendors who will respond with quotes to increase pricing competition. This award will add two additional vendors to one awarded previously.

The Business Services and Energy Resources Departments, and Purchasing recommend awarding the contract to the qualified vendors: Border States, and Elster American Meter Company, LLC; cumulatively not to exceed \$86,100 annually, based on estimated usage.
