Title:	Three-Year Term Contract for Tree Maintenance and Assessment Services for the Transportation Department (Citywide)		
	<p>This contract will provide tree pruning and general maintenance for numerous trees within the public right-of-way and around City assets, such as streetlight fixtures and signs. Trees maintained within the City's right-of-way and private property require ongoing, and often specialized, care and maintenance needs, which requires crews and equipment to conduct work along City streets.</p> <p>The Transportation Department and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, West Coast Arborists, Inc., at \$341,310 annually, based on estimated usage. This purchase is funded by the Highway User Revenue Fund.</p>
