Title: Dollar-Limit Increase to the Term Contract for Fire Protection Equipment Maintenance and Repair Services for Citywide Locations as requested by the Parks, Recreation and Community Facilities Department (Citywide)

This increase is needed to provide additional repairs to fire suppression equipment to minimize fire code violations and for the installation of radio dialers at various City facilities to improve quarterly monitoring.

The Parks, Recreation and Community Facilities Department and Purchasing recommend increasing the dollar-limit with Metro Fire Equipment, Inc., by \$75,000, from \$151,680 to \$226,680 annually, based on estimated usage.
