

Legislation Details

File #:	18-0493	Status:	Agenda Ready
Type:	Contract	In control:	City Council
On agenda:	5/7/2018		
Title:	Purchase for Fiber Optic Expansion to the Mesa Cemetery for the Parks, Recreation and Community Facilities Department (as requested by the Information Technology Department) (Citywide)		
	<p>This purchase will provide fiber cable installation, adding the Cemetery Administration building to the City's high-speed data network. It will improve the connectivity and speed, eliminate the existing monthly service cost and reduce the need for other network security hardware that is necessary for a VPN connection over cable or DSL. To minimize cost, the project will be utilizing existing Transportation conduit and City-owned fiber.</p> <p>The Information Technology Department, the Parks, Recreation and Community Facilities Department, and Purchasing recommend authorizing the purchase using the State of Arizona cooperative contract with the lowest-quoted vendor: BPG Technologies, LLC, for \$50,000, based on estimated requirements.</p>
