**Title:** One-Year Renewal to the Term Contract for Emergency Pump Rental Services for the Transportation Department (Citywide)

Transportation maintains 39 storm water pump stations that convey storm water during storm events. To back-up and supplement this capacity, this contract provides for emergency trailer mounted pump rental along with associated equipment and hardware on an as-needed basis, 24 hours a day, 7 days a week.

The Transportation Department and Purchasing recommend authorizing the renewal with Water Movers, Inc. (Primary); and Western Oilfields Supply Company, dba Rain for Rent (Secondary); for \$100,000, based on estimated usage.
