Title: Dollar-Limit Increase to the Term Contract for Police Vehicle Maintenance and Repair Services for the Fleet Services Department (Citywide)

This contract provides preventative maintenance and repair services for a portion of the City's Police vehicle fleet by outside vendors. Fleet Services had unusual expenditures this term due to increased preventative maintenance and repair services and has estimated an additional increase of $40,000 is needed to pay for purchases for this fourth year of the term contract ending 1/31/2019.

The Fleet Services Department and Purchasing recommend increasing the dollar-limit with B & T Vivian Investment Co. LLC, dba Thompson's Auto Repair & Towing (a Mesa business) (Primary); JTDCE Auto Repair Clinic LLC, dba Dave's Auto Repair Clinic (a Mesa business) (Secondary); AutoNation, dba AutoNation Chevrolet of Gilbert; and Berge Ford, Inc., dba Berge Ford (a Mesa business); by $40,000, from $175,000 to $215,000, for Year 4 of the term contract.
