Title: Contract Amendment and Dollar-Limit Increase to the Term Contract for Original Equipment Manufacturer (OEM) Heavy-Duty Truck Parts and Repairs for the Fleet Services Department (Citywide)

This contract will provide OEM parts and repair services for Freightliner, Case, John Deere, and Schwarze vehicles and equipment in the City's fleet.

The Fleet Services Department and Purchasing recommend amending the City's award by adding three vendors: Freightliner of Arizona, Titan Machinery Inc., and Balar Holding Company, from the Maricopa County cooperative contract; and increasing the contract value by \$50,000, from \$150,000 to \$200,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index.
