### One-Year Renewal to the Term Contract for Performance Cooling Water Treatment Program for the Parks, Recreation and Community Facilities Department **(Citywide)**

This contract provides water treatment on the District Cooling Loop, multiple building chiller closed loops and cooling tower loops, and multiple boiler loops. This water treatment prevents microbial growth in the chilled water systems used to provide air conditioning. Microbial growth in these systems would cause them to deteriorate exponentially faster and could cause a public safety hazard.

The Parks, Recreation and Community Facilities Department and Purchasing recommend authorizing the renewal with Water & Energy Systems Technology Inc. (W.E.S.T. Inc.) (a Mesa business), at \$73,816, based on estimated usage.
