Title:	<p>Dollar-Limit Increase to Year 4 and One-Year Renewal for Year 5 to the Term Contract for Deep Well and Well Pump Maintenance and Repair Services for the Water Resources Department (Citywide)</p> <p>This contract provides deep well and well pump maintenance and repair services to include pulling/repairing deep well pumps, videoing wells, brushing and bailing well casings, and other related services. The dollar-limit increase is to address some minor well flow-capacity performance issues at Desert Well-18 that has required the City to expend more funds to remedy than initially known.</p> <p>The Water Resources Department and Purchasing recommend increasing the dollar-limit by \$350,000, from \$480,000 to \$830,000 for Year 4; and authorizing the renewal for Year 5, with Weber Water Resources, LLC (Primary Award); and Southwest Waterworks Contractors Inc. (Secondary Award); for \$830,000, based on estimated requirements.</p>
