<b>Title:</b>	14-Month Term Contract for Patient Gurneys for the Mesa Fire and Medical Department (Citywide)		
	<p>This contract will provide medical transport gurneys manufactured by Ferno for Mesa Fire and Medical Department's transport program. The Department has determined that the Ferno gurney best meet their long-term needs. As the program expands, the gurneys will see higher usage for a more diverse range of crews, patients, and physical environments. The initial purchase will be for three gurneys (additions) and others may be purchased as needed.</p> <p>The Mesa Fire and Medical Department and Purchasing recommend authorizing the purchase using the National Purchasing Partners cooperative contract with Ferno, at \$180,000. This purchase is funded by the Capital - General Fund.</p>
