Title:	One-Year Renewal to the Term Contract for Pad Mounted Switchgear for the Materials and Supply Warehouse (for the Energy Resources Department) (Citywide)		
	Council approved a one-year renewal that expired on 1/13/2019. Because there was no usage, the contract was not renewed for the final year at that time. There is now a need for the contract materials and a renewal of the contract for Year 5; the vendor is open to this late renewal.		
	The Business Services and Energy Resources Departments and Purchasing recommend authorizing the renewal with G & W Electric Company, at \$500,000 annually, based on estimated requirements.
