On agenda: 12/2/2019

Title: Dollar-Limit Increase to the Term Contract (Years 2 and 3) for Transportation Landscape Maintenance

and Refurbishment Services as requested by the Transportation Department (Citywide)

This contract is used for both routine landscape maintenance as well as for the lifecycle landscape refurbishment program. The FY19/20 budget included a one-time adjustment of \$250,000 for routine

maintenance, as well as \$500,000 for Citywide landscape refurbishment under the Capital

Improvement Lifecycle program that was not able to be accounted for at the time of the initial award. The additional spending capacity for Years 2 and 3 is needed to accommodate both programs.

The Transportation Department and Purchasing recommend increasing the dollar-limit with BrightView

Landscape Services, Inc., a subsidiary of BrightView Landscapes, LLC, by \$280,000, from

\$2,882,136 to \$3,162,136 annually, based on estimated usage.
