Title:	Purchase of Six Pumper Trucks (Five Replacements and One Addition) for the Mesa Fire and Medical Department (Sole Source) (Citywide)		

The five replacement pumpers fall in line with MFMD's ongoing apparatus replacement schedule and will be used as emergency response frontline units. The five apparatus that are being replaced have met established replacement criteria and will be sold by a sealed bid process or traded-in as part of the City's fire apparatus purchase agreement with Pierce Manufacturing. The one addition supports frontline apparatus during training to help mitigate current and future call volumes within the City of Mesa.

The Mesa Fire and Medical Department and Purchasing recommend awarding this purchase to Pierce Manufacturing Inc., through their designated local dealer, Hughes Fire Equipment Inc., at \$4,657,084.37. This purchase is funded by 2018 Public Safety Bonds and Public Safety Sales Tax.
