

## Legislation Details (With Text)

<b>File #:</b>	20-0373	<b>Status:</b>	Agenda Ready
<b>Type:</b>	Contract	<b>In control:</b>	City Council
<b>On agenda:</b>	4/6/2020		
<b>Title:</b>	Five-Year Term Contract with Two Years of Renewal Options for Water/Wastewater Inspection and Assessment Services for the Water Resources Department (Citywide)		

Services provided under this contract include: inspection and condition assessment of water/wastewater pipelines; pipeline video inspections; sewer manhole manned inspections; valve and vault inspection; air release valve inspections, assessments, repairs and replacements; valve exercising; inspection and assessment of raw water irrigation lines and appurtenances; reservoir inspections and assessments; bulk chemical storage tank and pressure vessel inspection and assessments; water/wastewater facility inspection; incidental corrosion services; maintenance related support services; and other services as-needed.

An evaluation committee recommends awarding the contract to the highest-scored proposals for each area of work to: Construction Product Marketing, LLC (Primary); Pure Technologies U.S. Inc. (Secondary); Statewide Disinfection, Inc. (Primary) (a Mesa business); and WaCo, LLC (Secondary); at \$980,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index. This purchase is funded by Water Resources Operations and Maintenance budget, the Utility Replacement Extension and Renewal Fund, and Capital Improvement Program projects.
