

Legislation Details (With Text)

File #:	20-0373	Status:	Agenda Ready
Type:	Contract	In control:	City Council
On agenda:	4/6/2020		
Title:	Five-Year Term Contract with Two Years of Renewal Options for Water/Wastewater Inspection and Assessment Services for the Water Resources Department (Citywide)		

Services provided under this contract include: inspection and condition assessment of water/wastewater pipelines; pipeline video inspections; sewer manhole manned inspections; valve and vault inspection; air release valve inspections, assessments, repairs and replacements; valve exercising; inspection and assessment of raw water irrigation lines and appurtenances; reservoir inspections and assessments; bulk chemical storage tank and pressure vessel inspection and assessments; water/wastewater facility inspection; incidental corrosion services; maintenance related support services; and other services as-needed.

An evaluation committee recommends awarding the contract to the highest-scored proposals for each area of work to: Construction Product Marketing, LLC (Primary); Pure Technologies U.S. Inc. (Secondary); Statewide Disinfection, Inc. (Primary) (a Mesa business); and WaCo, LLC (Secondary); at \$980,000 annually, with an annual increase allowance of up to 5%, or the adjusted Consumer Price Index. This purchase is funded by Water Resources Operations and Maintenance budget, the Utility Replacement Extension and Renewal Fund, and Capital Improvement Program projects.
