Title:	Ratification of Emergency Purchase of Surgical Masks, and Dollar-Limit Increase to the Term Contract for Janitorial and Sanitation Supplies for the Mesa Fire and Medical Department (Citywide)		
	<p>The purchase provided 15,000 surgical masks, at \$25,000, for immediate use for Mesa's first responders and other City departments in response to the COVID-19 pandemic.</p> <p>The current contract expires in August and the City continues the need to purchase janitorial and sanitation supplies, as well as other various PPE supplies, when available; therefore, staff is requesting an additional \$75,000 to be added to the contract.</p> <p>The Mesa Fire and Medical Department and Purchasing recommend ratifying the \$25,000 increase for the purchase of the surgical masks, and an additional \$75,000 dollar-limit increase using the National IPA/City of Tucson cooperative contract with Waxie Sanitary Supply (a Mesa business), increasing the total dollar-limit by \$100,000, from \$100,000 to \$200,000 for Year 5. It is anticipated that purchases relating to the increase will be reimbursed by federal funding through FEMA or the CARES Act.</p>
