### Two-Year Term Contract for Specialty Papers for the Print Shop as requested by the Business Services Department **(Citywide)**

This contract will provide different types of papers to produce a variety of printed products for City Departments. Spicers Paper carries many of the brands of specialty papers that are compatible with the Print Shop's equipment and the needs of the requesting departments.

Business Services and Purchasing recommend authorizing using the Maricopa County cooperative contract with Spicers Paper, at \$40,000.00 annually, based on estimated requirements.
