File #: 14-0844, **Version:** 1

Purchase of Replacement Front Load Refuse and Roll-Off Containers for the Solid Waste Management Department **(Citywide)**

This purchase will provide (8) eight-yard front load refuse containers, (6) thirty-yard tub style roll-off front containers and (6) forty-yard tub style roll-off front containers for the City's commercial and residential customers. Solid Waste Management's existing inventory is nearing end-of-life and this purchase will establish a contract to replenish the department's inventory.

Solid Waste Management and Purchasing recommend authorizing purchase from the lowest, responsive and responsible bidder, Wastebuilt, at \$62,185.86.
