Approving and authorizing the City Manager to enter into an Intergovernmental Agreement with the City of Tempe and the Town of Gilbert for a Travel Time Monitoring Project. This project is to expand the current system in Mesa and regionally by working with the City of Tempe and the Town of Gilbert. A joint regional map would then be developed that would show travel time statistics on arterial streets across the three jurisdictions. **(Citywide)**

The total estimated design costs are \$125,000, of which \$19,231 is the City's share. The total estimated construction costs are \$695,011, of which \$655,385 are eligible for Congestion Mitigation and Air Quality Improvement (CMAQ) reimbursement. The City's local matching funds for construction will be approximately \$5,832.
