Three-Year Term Contract for Class 250 Residential Gas Meters for the Materials and Supply Warehouse (for the Energy Resources Department) **(Citywide)**

This contract will provide Class 250 residential gas meters for the City's natural gas distribution system for the purpose of measuring customer gas usage. The bid quantities are annual estimates based on anticipated usage. Meters will be ordered as needed throughout the term of the contract by Materials and Supply.

Business Services, Energy Resources and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Energy Economics, Inc., at \$252,200.00 annually, based on estimated requirements.
