Three-Year Term Contract for Replacement Portable Two-Way Radio Batteries for Citywide Departments as Requested by the Communications Department **(Citywide)**

These rechargeable batteries are used for portable (handheld) two-way radios used by various City departments, such as Transportation, Water Resources and Energy Resources. These batteries have a useful life of one to two years in normal daily use.

Communications and Purchasing recommend awarding the contract to the lowest, responsive and responsible bidder, Durham Communications, at \$44,300.00 annually, based on estimated requirements.
